Eight Educational Cooperatives in the state of Kentucky have joined with 21 other states (AEPA - Association of Educational Purchasing Agencies) to increase the purchasing power of member school districts. Through this nation-wide effort, bids have been awarded in several areas. These KAEC/AEPA contracts offer competitive pricing on quality products based on the needs of over 20 million students in these 22 states. If your district is a member of one of the Educational Cooperatives listed below and you are interested in products in these areas, you may contact the vendors listed here for pricing and details. All of these vendors are fully bonded and have met all bidder requirements in the state of KY.
